

## **INTERNSHIP**

(minimum 3 months, starting in October 2017)

The Society of Audiovisual Authors (SAA) is an association of European Collective Management Organisations managing audiovisual authors' rights. Its members (31 societies in 23 countries) administer rights for over 120,000 European film and television screenwriters and directors.

SAA is looking for an intern to assist the SAA team for a minimum duration of 3 months. The internship should be part of a relevant higher education programme and the intern should be able to provide a valid placement agreement from their university.

The internship would provide the opportunity for the intern to be involved and gain real, working, practical experience in the development of European legislation at European Commission, Parliament and Council levels as well as monitoring industry and Member State activities in the fields of copyright and media policy.

### **MAIN TASKS**

- Monitor and provide analysis of European policy developments in SAA's field of activity (copyright and audiovisual policy) and actively follow the European institutions' work in these fields.
- Conduct studies and research to formulate and draft notes under supervision.
- Assist SAA team in the daily tasks (translations, event organisation, phone calls, meeting requests, website updates, etc.).

### **QUALIFICATIONS AND SKILLS**

- Master's Degree student with experience, focus or interest in the areas of work of SAA: copyright, creative sectors, audiovisual sector and European policy.
- Relevant fields of studies: law, political science, European studies, international relations, etc.
- A sound knowledge of the European institutions and of the EU decision-making process.
- Excellent English speaker with a proven ability to write in a clear, understandable and engaging way. Knowledge of other European languages desirable.
- Dynamic, creative and responsible, showing autonomy, initiative and reactivity.
- Task-orientated and able to meet deadlines.
- Able to adapt and be flexible in a small team.
- IT skills: MS Office package

### **PRACTICAL DETAILS**

- Position based in Brussels, Belgium.
- Minimum three months, starting in October.
- Paid internship - 450€ / month
